APPENDIX

⁴STATEMENT OF OBJECTS AND REASONS

With a view to promoting and developing khadi and village industries, the Central Government constituted a Board called the All India Khadi and Village industries Board and vested it with powers to prepare and organise programmes for the production and development of khadi and village industries and to deal with other matters incidental thereto. It has, however, been found in actual practice that the work of the Board has been hampered by certain procedural and financial difficulties which would be removed if a Commission were set up by law. It is, therefore, proposed to set up a Commission, called the All India Khadi and village Industries Commission which will be vested with powers, executive as well as administrative, for the proper development of khadi and village industries. The bill also provides for the All India Khadi and Village Industries Board functioning as an advisory body which will advise the Commission generally in the discharge of its duties.
